

Aficio™ GX3000s

## GelSprinter™ - Spectacular colour innovation

- Up to 29ppm<sup>1</sup>
- GelSprinter™ Liquid Gel™: ultra quick drying, producing water resistant and sunlight resistant prints.
- All-round A4 multitasker: print, copy and scan.
- Low Total Cost of Ownership.
- Consistent, high quality colour for business documents.
- Colour graphic prints at a similar cost to that of black & white with Level Color™ mode<sup>2</sup>.
- Fast automatic duplexing.

### Colour quality

To effectively convince clients and sell projects, professional colour documents are a must. For high quality results, the GX 3000s offers extremely fast image setting due to the quick drying Liquid Gel™. This ensures consistently clear prints with a wide gamut of colours up to true 1,200 dpi.

### Affordable multifunctional

The GX 3000s saves costs and lowers the Total Cost of Ownership with its all-in-one design (print, copy, scan functions) and individually replaceable colour print cartridges. The GelSprinter's™ Level Color™ mode is perfect for everyday colour needs, producing quick colour prints at a similar cost to that of black & white prints<sup>2</sup>.

### Improved productivity

- Fast print speed of up to 29 ppm<sup>1</sup>.
- First print out in less than 8 seconds; first copy out in less than 18 seconds<sup>3</sup>.
- Fast automatic duplex printing.
- High quality at high speed: extra wide print head, ultra quick drying Liquid Gel™ and belt transfer system.

### Versatile connectivity

With direct USB connection, the GX3000s is well equipped to meet the needs of individual business users.
